**XVII AUSTRALIAN
MASTERS GAMES
ADELAIDE
5-12 OCTOBER 2019**

Dear SABA members,

As the Games draw closer, Australian Masters Games Workforce Coordinator is requesting volunteer requirements for all sports to ensure accurate uniform quantities and sizes are ordered. To gather this information, it is a requirement for anyone volunteering at an Australian Masters Games event to register through our online system.

To ensure you receive your benefits, you are required to register through AMG online system. By registering online, you will receive:

- an AMG uniform (a shirt, hat and water bottle)
- an accreditation pass (grants access to our social program including live music events + Opening & Closing ceremonies!)
- a certificate of service
- an invitation to our Volunteer Thank You Function after the Games.

Volunteers who do not register online will not receive the above. When registering, you should select 'Sport Specific Volunteer'. Registration for sport specific volunteers is shorter than a general registration as you are not required to fill out your department preference and skills. It will only take 5 minutes and can be found at
